

## **My 2 Minute Story of 2022 “So Far”**

In January I felt \_\_\_\_\_ about my business/career/life.

My big desires for this year included (list 1 - 3 desires/goals):

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

So far, I have (insert a super short comment about each desire/goal) \_\_\_\_\_,

\_\_\_\_\_ and \_\_\_\_\_

As a result of this, one thing I learned that I’m taking forward is \_\_\_\_\_

\_\_\_\_\_

Today I’m feeling \_\_\_\_\_ about my business.

What I’m most excited about is \_\_\_\_\_

You're not going to master the rest of your life in one day. Just relax. Master the day. Then just keep doing that every day.

## **My 2 Minute Story of the Rest of 2022**

**My single biggest desire/dream for my business/career/life for the rest of the year is:**

---

**This is important to me is because** \_\_\_\_\_

**And what that means is** \_\_\_\_\_

**If I do these 3 activities, I believe I set myself up for making this dream become reality:**

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

**At the end of the year I will thank myself for keeping at it and celebrate *no matter what!***
